**Elder Derrill Floyd, *Evangelistic Missionary President***

**Mission Statement**

The Ministry in California is to engage in hands-on missionary work that supports pastors and local churches by sharing the responsibility of ministry and ensuring that the work of care, outreach, and evangelism is not carried solely by pastoral leadership.

**Areas of Ministry Focus**

**1. Care and Compassion Ministry**

To serve both church members and non-members through practical acts of care and presence.

- Visiting individuals in hospitals and nursing homes
- Preparing and providing meals when needed
- Assisting with transportation to church services and church-related activities

**2. Prison Ministry**

To establish a consistent and ongoing gospel presence within correctional facilities.

- Initiating a prison ministry focused on prayer, teaching, and encouragement
- Sharing the gospel and providing spiritual support
- Building pathways for continued ministry and discipleship where permitted

**3. Evangelism and Gospel Outreach**

To spread the gospel in communities where the House of God is not currently established.

- Renting recreation centers or community spaces to hold worship services
- Conducting services with a small outreach team of approximately ten members from across the state
- Preaching the gospel and fostering fellowship in underserved areas
